Dear Applicant,

We are delighted to have you apply for a Mill City Lions Club Scholarship. We want to help you achieve your educational goals whether you plan to attend college, start a vocational training/apprenticeship, or join the work force.

If you choose to attend college, we can help you with your tuition. If you choose the vocational route or join the work force, we will partner you with a mentor and fund such things as CPR/First Aid training, uniforms, supplies, books, tools, and equipment.

The amount of your award will be based on funds available, number of applicants, the quality of your application, how well you communicate your educational goals, what you have already done to prepare for your career choice, community service, and your financial need. Please contact me if you have a question or need assistance completing this application.
